Said surveys, graphic descriptions and plot plans were prepared by:

ALLEN ENGINEERING, INC.
By: John R. Campbell
Professional Land Surveyor
No. 2351, State of Florida

and have been certified in the manner required by the Florida Condominium Act. Each apartment is identified and designated by a specific number. No apartment bears the same numerical designation as any other apartment. Said specific numbers identifying each apartment are listed on Sheets 6 through 31, of Exhibit "A" attached to this Declaration of Condominium.

III

OWNERSHIP OF APARTMENTS AND APPURTENANT
SHARE IN COMMON ELEMENTS AND COMMON
SURPLUS, AND SHARE OF COMMON EXPENSES

Each apartment shall be conveyed as an individual property capable of independent use and fee simple ownership and the owner or owners of each apartment shall own, as an appurtenance to the ownership of each said apartment, an undivided one-one hundred sixty-seventh (1/167) share of all common elements of the condominium, which includes, but is not limited to, ground support area, walkways, yard area, parking areas, foundations, etc., and substantial portions of the exterior walls, floors, ceiling and wall between units. The space within any of the units and common property shall not be further subdivided. Any undivided interest in the common property is hereby declared to be appurtenant to each unit and such undivided interest shall not be separated from the unit and such interest shall be deemed conveyed, devised, encumbered or otherwise included with the unit even though such interest is not expressly mentioned or described in the conveyance, or other instrument. Any instrument, whether a conveyance, mortgage or otherwise, which describes only a portion of the space within any unit shall be deemed to describe the entire unit owned by the person executing such instrument and an undivided one-one hundred sixty-seventh (1/167) interest in all common elements of the condominium.

The Developer hereby, and each subsequent owner of any interest in a unit and in the common property, by acceptance of a conveyance or any instrument transferring an interest, waives the right of partition of any interest in the common property under the laws of the State of Florida as it exists now or hereafter until this condominium apartment project is terminated according to the provisions hereof or by law. Any owner may freely convey an interest in a unit together with an undivided interest in the common property subject to the provisions of this Declaration. The Developer hereby reserves the right to remove any party walls between any condominium units in order that the said units may be used together as one (1) integral unit. All assessments and voting rights, however, shall be calculated as if such units were as originally designated on the exhibits attached to this Declaration, notwithstanding the fact that the several units are used as one.

All owners of units shall have as an appurtenance to their units a perpetual easement of ingress to and egress from their units over walks, terraces and other common property from and to the public highways bounding the condominium complex, and a perpetual right or easement, in common with all persons owning an interest in any unit in the condominium complex, to the use and enjoyment of all public portions of buildings and to other common facilities (including but not limited to facilities as they now exist) located in the common property.

All property covered by the exhibits hereto shall be subject to a perpetual easement for encroachments which now exist or hereafter may exist caused by settlement or movement of the buildings, and such encroachments shall be permitted to remain undisturbed and such easement shall continue until such encroachment no longer exists.

All units and the common property shall be subject to a perpetual easement in gross granted to SAN JUAN VILLAGE CONDOMINIUM ASSOCIATION, INC., and its successors, for ingress and egress for the purpose of having its employees and agents perform all obligations and duties of the Association set forth herein; however, that access to the units shall only be at reasonable times.

The common expenses shall be shared and the common surplus shall be owned in the same proportion as each unit owner's share of the ownership of the common elements; namely, an undivided one-one hundred sixty-seventh share.

IV

APARTMENT BOUNDARIES, COMMON ELEMENTS,
AND LIMITED COMMON ELEMENTS

The apartments of the condominium consist of that volume of space which is contained within the decorated or finished exposed interior surfaces of the perimeter walls, floors (excluding carpeting and other floor coverings) and ceilings of the apartments, the boundaries of which apartments are more specifically shown on Exhibit "A", pages 6 through 31, attached hereto. The dark solid lines on the floor plans hereinabove mentioned represent the perimetrical boundaries of the apartments, while the upper and lower boundaries of the apartments, relating to the elevations of the apartments, are shown in notes on said plan.

There are limited common elements appurtenant to each of the units in this condominium, as shown and reflected by the floor and plot plans. These limited common elements are reserved for the use of the units appurtenant thereto, to the exclusion of other units, and there shall pass with a unit, as an appurtenance thereto, the exclusive right to use the limited common elements so appurtenant. The Developer and the Association after turnover of control of the Condominium Association, reserve the right to designate parking spaces and storage bins for the use of individual unit owners, and the parking spaces and storage bins are hereby made limited common elements.

Expenses of maintenance, repair or replacement relating to the limited common elements shall be treated as and paid for as a part of the common expenses of the Association, except the expenses of maintenance relating to the floor and ceiling surfaces shall be borne by and assessed against the individual unit owner. However, the expense of maintenance, repair or replacement made necessary by the act of any unit owner shall be borne by said unit owner.

The common elements of the condominium consist of all of the real property, improvements and facilities of the condominium other than the apartments and the limited common elements as the same are hereinabove defined, and shall include easements through the apartments for conduits, pipes, ducts, plumbing, wiring and other facilities for the furnishing of utility services to the apartments, limited common elements and common elements and easements of support in every portion of an apartment which contributes to the support of improvements and shall further include all personal property held and maintained for the joint use and enjoyment of all the owners of the apartments.

V

ADMINISTRATION OF CONDOMINIUM BY
SAN JUAN VILLAGE CONDOMINIUM ASSOCIATION, INC.

The operation and management of the condominium shall be administered by SAN JUAN VILLAGE CONDOMINIUM ASSOCIATION, INC., a corporation not for profit, organized and existing under the laws of the State of Florida, hereinafter referred to as the "Association".

The Association shall have all of the powers and duties incident to the operation of the condominium as set forth in the Condominium Act, as well as all the powers and duties set forth in this Declaration and the Articles of Incorporation and Bylaws of the Association, where the same are not in conflict with or limited by the Condominium Act. True and correct copies of the Articles of Incorporation and the Bylaws are attached hereto, made a part hereof, and marked Exhibit "B" and Exhibit "C", respectively.

VI

MEMBERSHIP AND VOTING RIGHTS

The Developer and all persons hereafter owning a vested present interest in the fee title to any one of the units shown on the exhibits hereto and which interest is evidenced by recordation of a proper instrument in the public records of Brevard County, Florida, shall automatically be members and their memberships shall automatically terminate when they no longer own such interest.

[REDACTED]

There shall be a total of one hundred sixty-seven (167) votes to be cast by the owners of the condominium units. Such votes shall be apportioned and cast as follows: The owner of each condominium unit (designated as such on the exhibits attached to this Declaration) shall be entitled to cast one (1) vote. Where the condominium unit is owned by the managing non-profit corporation, no vote shall be allowed for such condominium unit. Where a condominium unit is owned by more than one (1) person, all the owners thereof shall be collectively entitled to the vote assigned to such unit and such owners shall, in writing, designate an individual who shall be entitled to cast the vote in behalf of the owners of such condominium unit of which he is a part until such authorization shall have been changed in writing. The term, "owner", as used herein shall be deemed to include the Developer.

All of the affairs, policies, regulations and property of the corporation shall be controlled and governed by the Board of Administration of the corporation who are all to be elected annually by the members entitled to vote, as provided in the Bylaws of the corporation. Each director shall be the owner of a condominium unit (or a partial owner of a condominium unit where such unit is owned by more than one (1) individual, or if a unit is owned by a corporation, including the Developer, any duly elected officer or officers of an owner corporation may be elected a director or directors). The first election of Directors shall be held sixty (60) days from the date of recording of the Declaration of Condominium.

VII

COMMON EXPENSES, ASSESSMENTS, COLLECTION LIEN AND ENFORCEMENT, LIMITATIONS

The Board of Administration of the Association shall adopt annual budgets in advance for each fiscal year which shall contain estimates of the cost of performing the functions of the Association, including but not limited to the common expense budget, which shall include, without limitation the generality of the foregoing, the estimated amounts necessary for maintenance, and operation of common elements and limited common elements, landscaping, street and walkways, office expense, utility services, replacement and operating reserve, casualty insurance, liability insurance, administration and salaries. Failure of the Board to include any item in the annual budget shall not preclude the Board from levying an additional assessment in any calendar year for which the budget has been projected. In determining such common expenses, the Board of Administration may provide for an operating reserve not to exceed fifteen percent (15%) of the total projected common expenses for the year. Each apartment owner shall be liable for the payment to the Association of one-one hundred sixty-seventh (1/167) of the common expenses as determined in said budget.

After adoption of a budget and determination of the annual assessment per unit, the Association shall assess such sum by promptly notifying all owners by delivering or mailing notice thereof to the voting member representing each unit at such member's most recent address as shown by the books and records of the Association. One-twelfth (1/12) of the annual assessment shall be due and payable in advance to the Association on the first (1st) day of each month.

Special assessments may be made by the Board of Administration from time to time to meet other needs or requirements of the Association in the operation and management of the condominium and to provide for emergencies, repairs or replacements, and infrequently recurring items of maintenance. However, any special assessment which is not connected with an actual operating, managerial or maintenance expense of the condominium, shall not be levied without the prior approval of the members owning a majority of the apartments in the condominium.

The liability for any assessment or portion thereof may not be avoided by an apartment owner or waived by reason of such apartments owner's waiver of the use and enjoyment of any of the common elements of the condominium or by his abandonment of his apartment.

The record owners of each unit shall be personally liable, jointly and severally, to the Association for the payment of all assessments, regular or special, made by the Association and for all costs of collection of delinquent assessments. In the event assessments against a unit are not paid within thirty (30) days after their due date, the Association shall have the right to foreclose its lien for such assessments.

Assessments that are unpaid for over thirty (30) days after due date shall bear interest at the rate of ten percent (10%) per annum until paid. The Board of Administration shall have the sole discretion to impose a late charge not to exceed Twenty-Five and No/100 Dollars (\$25.00) on payments more than ten (10) days late.

The Association shall have a lien on each condominium parcel (the term "condominium parcel" shall include the condominium unit and the interest in the common elements) for any unpaid assessments and interest thereon which has been assessed against the unit owner of such condominium parcel and for reasonable attorneys' fees incurred by the Association incident to the collection of the assessment or enforcement of said lien. The said lien shall be effective from and after the time of recording in the public records of Brevard County, Florida (the same being the county in which the subject condominium is located) of a claim of lien stating the description of the condominium parcel, the name of the record owner, the amount due and the date when due, and the said lien shall continue in effect until all sums secured by the lien shall have been fully paid. All such claims of lien shall include only assessments which are due and payable when the said claim of lien is recorded and all such claims of lien shall be signed and verified by an officer or agent of the corporation. Where any such lien shall have been paid in full, the party making payment thereof shall be entitled to receive a satisfaction of such lien in such form that it may be recorded in the public records of Brevard County, Florida. By recording a notice in substantially the following form, a unit owner or his agent or attorney may require the Association to enforce a recorded claim of lien against his condominium parcel:

Notice of Contest of Lien

To: SAN JUAN VILLAGE CONDOMINIUM ASSOCIATION, INC.
100 San Juan Circle
Melbourne, Florida 32901

You are notified that the undersigned contests the claim of lien filed by you on _____, and recorded in Official Records Book _____ at Page _____, of the Public Records of Brevard County, Florida, and that the time within which you may file suit to enforce your lien is limited to ninety (90) days from the date of service of this notice.

Executed this _____ day of _____, 19_____.

Signed: _____
Owner, Agent or Attorney

After service of a copy of the Notice of Contest of Lien, the Association shall have ninety (90) days in which to file an action to enforce the lien, and if the action is not filed within that ninety (90) day period, the lien is void.

The Association may bring an action in its name to foreclose a lien for assessment in the manner a mortgage or real property is foreclosed and may also bring an action to recover a money judgment for the unpaid assessments without waiving any claim of lien.

No foreclosure judgment may be entered until at least thirty (30) days after the Association gives written notice to the unit owner of its intention to foreclose its lien to collect the unpaid assessments. If this notice is not given at least thirty (30) days before the foreclosure action is filed, and if the unpaid assessments, including those coming due after the claim of lien is recorded, are paid before the entry of a final judgment of foreclosure, the Association shall not recover attorney's fees or costs. The notice must be given by delivery of a copy of it to the unit owner or by certified mail, return receipt requested addressed to the unit owner. If after diligent search and inquiry the Association cannot find the unit owner or a mailing address at which the unit owner will receive the notice, the court may proceed with the foreclosure action and may award attorney's fees and costs as permitted by law. The notice requirements of this subsection are satisfied if the unit owner records a Notice of Contest of Lien as provided in Section 718.116(4).

If the unit owner remains in possession of the unit and the claim of lien is foreclosed, the court in its discretion may require the unit owner to pay a reasonable rental for the unit and the Association is entitled to the appointment of a receiver to collect the rent.

[REDACTED]

The provisions of Section 718.116 of the Florida Condominium Act, are incorporated herein by reference and made a part hereof, and the Association shall have all of the powers and duties as set forth in said Section 718.116 as well as all the powers and duties set forth in this Article VII of this Declaration, where the same are not in conflict with or limited by Section 718.116.

The Association has the power to purchase the condominium parcel at the foreclosure sale and to hold, lease, mortgage and convey it.

When the mortgagee of a first mortgage of record, or other purchaser, of a condominium unit obtains title to the condominium parcel as a result of foreclosure of the first mortgage, or as the result of a deed given in lieu of foreclosure, such acquirer of title and his successors and assigns shall not be liable for the share of common expenses or assessments by the Association pertaining to the condominium parcel or chargeable to the former unit owner of the parcel which became due prior to acquisition of title as a result of the foreclosure, unless the share is secured by a claim of lien for assessments that is recorded prior to the recording of the foreclosed mortgage. The unpaid share of common expenses or assessments are common expenses collectible from all of the unit owners, including such acquirer, his successors and assigns. The foregoing provision may apply to any mortgage of records and shall not be restricted to the first mortgages of record. A first mortgagee acquiring title to a condominium parcel as a result of foreclosure, or a deed in lieu of foreclosure, may not during the period of its ownership of such parcel, whether or not such parcel is unoccupied be excused from the payment of some or all of the common expenses coming due during the period of such ownership.

Any unit owner has the right to require from the Association a certificate showing the amount of unpaid assessments against him with respect to his condominium parcel. The holder of a mortgage or other lien of record has the same right as to any condominium parcel upon which he has a lien.

Any first mortgagee may make use of any unit acquired as may facilitate its sale including, but not limited to, the showing of the property and the display of "For Sale Signs" and neither the other apartment owners nor the corporation shall interfere with the sale of such apartments.

As to priority between the lien of a recorded mortgage and the lien for any assessment, the lien for assessment shall be subordinate and inferior to any recorded mortgage unless the assessment is secured by a claim of lien which is recorded prior to the recording date of the mortgage.

Any person purchasing or encumbering a unit shall have the right to rely upon any statement made in writing by an officer of the Association regarding assessments against units which have already been made and which are due and payable to the Association and the Association and the members shall be bound thereby. No action or suit shall be brought to enforce foreclosure of any lien arising under this Declaration after two (2) years from the date of any unpaid assessment.

The Association may at any time require owners to maintain a minimum balance on deposit with the corporation to cover future assessments. Said deposit shall be uniform for similar units, in accordance with the proportion set out hereinabove, and shall in no event exceed three (3) months' assessment. The owners shall place members on the Board of Administration in accordance with the schedule as follows: When unit owners other than the Developer own fifteen percent (15%) or more of the units, the unit owners shall be entitled to elect not less than one-third (1/3) of the members of the Board of Administration. Unit owners other than the Developer shall be entitled to elect not less than a majority of the members of the Board of Administration three (3) years after sales by the Developer have been closed on fifty percent (50%) of the units, or three (3) months after sales have been closed by the Developer on ninety percent (90%) of the units, or when all of the units have been completed and some of them have been sold and none of the others are being offered for sale in the ordinary course of business, whichever shall occur first.

A unit owner, regardless of how title is acquired, including without limitation, a purchaser at a judicial sale, shall be liable for all assessments coming due while he is an owner of a unit. In a voluntary conveyance the grantee shall be jointly and severally liable with the grantor for all unpaid assessments against the latter for his share of the common expenses up to the time of such voluntary conveyance, without prejudice to the rights of the grantee to recover from the grantor the amount paid by the grantee therefor.

VIII

INSURANCE COVERAGE, USE AND DISTRIBUTION
OF PROCEEDS, REPAIR OR RECONSTRUCTION AFTER CASUALTY

a. All insurance policies upon the condominium property shall be purchased by the Association. The named insured shall be the Association and the apartment owners and their mortgagees as their interest may appear. Provisions shall be made for the issuance of mortgagee endorsements and/or memoranda of insurance to the apartment owners and their mortgagees.

b. The Association shall be required to obtain and maintain casualty insurance covering all improvements upon the land, including all parts of the building, both exterior and interior, and including fixtures, as are ordinarily covered by similar types of insurance policies, in an amount equal to the maximum insurable replacement value, exclusive of foundation and excavation costs, as determined annually by the insurance carrier, or, if approved by the Board of Administration such insurance may be carried on not less than full insurable value basis. The coverage shall afford protection against loss or damage by fire, windstorm, and other hazards covered by a standard extended coverage endorsement, and such other risks as shall be customarily covered with respect to buildings similar in construction, location and use, including but not limited to vandalism and malicious mischief. The Association shall also be required to carry public liability insurance in sufficient amounts to provide adequate protection for the Association and its members. All liability insurance maintained by the Association shall contain cross liability endorsements to cover liability of the apartment owners as a group to each apartment owner.

The Association may carry such other insurance, or obtain such other coverage as the Board of Administration may determine to be desirable. Employer's liability insurance shall be obtained if necessary to comply with the Workmen's Compensation Law.

c. The premiums upon all insurance policies shall be paid by the Association as an operating expense.

d. Any proceeds becoming due under the casualty insurance policy or policies for loss, damage or destruction sustained to the building or other improvements, shall be payable to the Association, the owners and the mortgagees which have been issued loss payable endorsements and/or memoranda of insurance.

In the event any loss, damage or destruction to the insured premises is not substantial (as such term "substantial" is hereinafter defined), and such loss, damage or destruction is replaced, repaired or restored with the Association's funds, the first mortgagees which are named as payees upon the draft issued by the insurance carrier shall endorse the draft and deliver the same to the Association, provided, however, that any repair and restoration on account of physical damage shall restore the improvements to substantially the same condition as existed prior to the casualty.

Substantial loss, damage or destruction as the term is herein used, shall mean any loss, damage or destruction sustained to the insured improvements which would require an expenditure of sums in excess of twenty-five percent (25%) of the amount of coverage under the Association's casualty insurance policy or policies then existing, in order to restore, repair or reconstruct the loss, damage or destruction sustained.

Any casualty insurance proceeds becoming due by reason of substantial loss, damage or destruction sustained to the condominium improvements shall be payable to the Association and all first mortgagees which shall have been issued loss payable mortgagee endorsements, and such proceeds shall be made available to the first mortgagee which shall hold the greater number of mortgages encumbering the apartments in the condominium, which proceeds shall be held in a construction fund to provide for the payment of all work, labor and materials to be furnished for the reconstruction, restoration and repair of the condominium improvements. Disbursements from such construction fund shall be by usual and customary construction loan procedures. No fee whatsoever shall be charged by such first mortgagee for its services in the administration of the construction loan fund. Any sums remaining in the construction loan fund after the completion of the restoration, reconstruction and repair of the improvements and full payment therefore shall be paid over to the Association and held for, and/or distributed to the apartment owners in proportion to each apartment owner's share of common surplus. If the insurance

proceeds payable as the result of such casualty are not sufficient to pay the estimated costs of such restoration, repair and reconstruction, which estimate shall be made prior to proceeding with restoration, repair or reconstruction, the Association shall levy a special assessment against the apartment owners for the amount of such insufficiency, and shall pay said sum into the aforesaid construction loan fund.

Notwithstanding which first mortgagee holds the greater number of mortgages encumbering the apartments, such mortgagees may agree between themselves as to which one shall administer the construction loan fund.

If the damage sustained to the improvements is less than substantial, as heretofore defined, the Board of Administration may determine that it is in the best interests of the Association to pay the insurance proceeds into a construction fund to be administered by an institutional first mortgagee as hereinabove provided. No institutional first mortgagee shall be required to cause such insurance proceeds to be made available to the corporation prior to commencement or completion of any necessary restoration, repairs or reconstruction, unless arrangements are made by the Association to satisfactorily assure that such restoration, repairs and reconstruction shall be completed. Such assurances may consist of, without limitation, (1) obtaining a construction loan from other sources, (2) obtaining a binding contract with a contractor or contractors to perform the necessary restoration, repairs and reconstruction, and (3) the furnishing of performance and payment bonds.

Any restoration, repair or reconstruction made necessary through a casualty, shall be commenced and completed as expeditiously as reasonably possible, and must substantially be in accordance with the plans and specifications for the construction of the original building. In no event shall any reconstruction or repair change the relative locations and approximate dimensions of the common elements and of any apartment, unless an appropriate amendment be made to this Declaration.

e. Where physical damage has been sustained to the condominium improvements and the insurance proceeds have not been paid into a construction loan fund as hereinabove more fully provided, and where restoration, repair or reconstruction has not been commenced, an institutional mortgagee who has commenced foreclosure proceedings upon a mortgage encumbering an apartment, shall be entitled to receive that portion of the insurance proceeds apportioned to said apartment in the same share as the share in the common elements appurtenant to said apartment.

f. If substantial loss, damage or destruction shall be sustained to the condominium improvements, and at a special members' meeting called for such purpose, the owners of a majority of the apartments in the condominium vote and agree in writing that the damaged property will not be repaired or reconstructed, the condominium shall be terminated, provided, however, such termination will not be effective without the written consent of all first mortgagees holding mortgages encumbering apartments.

IX

RESPONSIBILITY FOR MAINTENANCE AND REPAIRS

a. Each apartment owner shall bear the cost and be responsible for the maintenance, repair and replacement, as the case may be, of all air conditioning and heating equipment, electrical and plumbing fixtures, kitchen and bathroom fixtures, and all other appliances or equipment, including any fixtures and/or their connections required to provide water, light, power, telephone, sewage and sanitary service to his apartment and which may now or hereafter be affixed or contained within his apartment. Such owner shall further be responsible for maintenance, repair and replacement of any air conditioning equipment servicing his apartment although such equipment not be located in the apartment, and of any and all wall, ceiling and floor surfaces, painting, decorating and furnishings and all other accessories which such owner may desire to place or maintain therein. Unit owners are responsible for the maintenance, including cleaning, repair or replacement of windows and screening thereon and fixed and sliding glass doors.

b. The Association, at its expense, shall be responsible for the maintenance, repair and replacement of all the common elements and limited common elements, including those portions thereof which contribute to the support of the building, and all conduits, ducts, plumbing, wiring and other facilities located in the common elements, for the furnishing of utility services to the apartments, and

including artesian wells, pumps, piping, and fixtures serving individual air conditioning units. Painting and cleaning of all exterior portions of the building, including all exterior doors opening into walkways, but excluding sliding glass doors and screens windows and screens, shall also be the Association's responsibility. Should any damage be caused to any apartment by reason of any work which may be done by the Association in the maintenance, repair or replacement of the common elements, the corporation shall bear the expense of repairing such damage.

c. Where loss, damage or destruction is sustained by casualty to any part of the building, whether interior or exterior, whether inside an apartment or not, whether a fixture or equipment attached to the common elements or attached to and completely located inside an apartment, and such loss, damage or destruction is insured for such casualty under the terms of the corporation's casualty insurance policy or policies, but the insurance proceeds payable on account of such loss, damage or destruction are insufficient for restoration, repair or reconstruction, all the apartment owners shall be specially assessed to make up the deficiency, irrespective of a determination as to whether the loss, damage or destruction is to a part of the building, or to fixtures or equipment which it is an apartment owner's responsibility to maintain.

d. In the event owners of a unit fail to maintain it as required herein or make any structural addition or alteration without the required written consent, the Association or an owner with an interest in any unit shall have the right to proceed in a court of equity to seek compliance with the provisions hereof. The Association shall have the right to levy at any time a special assessment against the owners of the unit for the necessary sums to put the improvements within the unit in good condition and repair or to remove any unauthorized structural addition or alteration. After making such assessment, the Association shall have the right to have its employees and agents enter the unit, at reasonable times, to do such work as deemed necessary by the Board of Administration of the Association to enforce compliance with the provisions hereof.

The Board of Administration of the Association may enter into a contract with any firm, person or corporation for the maintenance and repair of the condominium property and may join with other condominium corporations on contracting with the same firm, person or corporation for maintenance and repair.

The corporation shall determine the exterior color scheme of all buildings and shall be responsible for the maintenance thereof, and no owner shall paint an exterior wall, door, window, patio or any exterior surface, etc, at any time without the written consent of the Association.

X

USE RESTRICTIONS

a. Each apartment is hereby restricted to residential use by the owner or owners thereof, their immediate families, guests and invitees. Each three-bedroom unit is hereby restricted to no more than five (5) occupants, Each two-bedroom unit is hereby restricted to no more than four (4) occupants, and each one-bedroom unit is hereby restricted to no more than two (2) occupants.

c. No nuisances shall be allowed to be committed or maintained upon the condominium property, nor any use or practice that is the source of annoyance to residents or which interfere with the peaceful possession and proper use of the property by its residents. All parts of the property shall be kept in a clean and sanitary condition, and no rubbish, refuse or garbage allowed to accumulate, nor any fire hazard allowed to exist. No apartment owner shall permit any use of his apartment or use of the common elements that will increase the cost of insurance upon the condominium property.

d. No immoral, improper, offensive use shall be made on the condominium property nor any part thereof, and all laws, zoning ordinances and regulations of all governmental authorities having jurisdiction of the condominium shall be observed.

e. Reasonable regulations concerning the use of the condominium property may be made and amended from time to time by the Board of Administration of the Association as provided by its Articles of Incorporation and Bylaws.

f. The Board of Administration or the agents and employees of the Association may enter any unit at reasonable times for the purpose of maintenance, inspection, repair and replacement of the improvements within units or the common property, or in case of emergency threatening units or the common property, to determine compliance with these restrictions, reservations, covenants, conditions and easements, and the Bylaws of the Association.

g. No sign, advertisement or notice of any type shall be shown on the common property or any unit and no exterior antennas and aerials shall be erected except as provided under uniform regulations promulgated by the Association. This subparagraph g. shall not apply to the Developer and/or institutional first mortgagees.

h. An owner shall not place or cause to be placed in the walkways or in or on any other project areas and facilities of similar nature, both common and limited, any furniture, packages or objects of any kind. Such areas shall be used for no other reason than for normal transit through them.

i. It is prohibited to hang garments, rugs, etc. from the windows or from any of the facades of the project.

j. It is prohibited to dust rugs, etc. from windows or to clean rugs, etc. by beating on the exterior of the project.

k. No auto parking space may be used for any purpose other than parking automobiles which are in operating condition. No other vehicles or objects, including but not limited to trucks, motorcycles, trailers, and boats, will be parked or placed upon such portions of the condominium property unless permitted by the Board of Administration. No parking space shall be used by any other person other than an occupant of the condominium who is an actual resident or by a guest or visitor and by such guest or visitor only when such guest or visitor is, in fact, visiting and upon the premises.

l. Until the Developer has closed all the sales of the apartments in the condominium, neither the other apartment owners nor the corporation shall interfere with the sale of such apartments. The Developer may make such use of the unsold units and common elements as may facilitate its sales, including but not limited to maintenance of a sales office, model apartments, the showing of the property, and the display of signs.

m. One (1) pet shall be allowed to be kept in the owner's unit, however, the pet shall not exceed thirty (30) pounds in weight, and the pet must be kept on a leash on the condominium grounds and it shall not create a nuisance.

XI

LIMITATIONS UPON RIGHT OF OWNER TO ALTER OR MODIFY APARTMENT

No owner of an apartment shall make any structural modifications or alterations of the apartment. Further, no owner shall cause any improvements or changes to be made on or to the exterior of the apartment buildings, including painting or other decoration, the installation of awnings, shutters, electrical wiring, air conditioning units and other things which might protrude through or be attached to the walls of the apartment building; further, no owner shall in any manner change the appearance of any portion of the apartment building not wholly within the boundaries of his apartment.

XII

ADDITIONS, ALTERATIONS OR IMPROVEMENTS BY
ASSOCIATION

Whenever in the judgment of the Board of Administration the condominium property shall require additions, alterations or improvements (in the excess of the usual items of maintenance), and the making of such additions, alterations or improvements shall have been approved by written approval of a majority of the apartment owners, the Board of Administration shall proceed with such additions, alterations or improvements and shall specially assess all apartment owners for the cost thereof as a common expense, provided, however, no such special assessment shall be levied for improvements which shall exceed one hundred fifteen percent (115%) of the current regular annual assessment, unless prior written consent is received from a majority of the voting members.

XIII

AMENDMENT OF DECLARATION

These restrictions, reservations, covenants, conditions and easements may be modified or amended by recording such modifications in the public records of Brevard County, Florida, signed by the owners of a majority of the units whose votes were cast in person or by proxy at the meeting duly held in accordance with the Bylaws and Articles of Incorporation of the Association, and, provided further, no amendment to this Declaration shall be adopted which would operate to affect the validity or priority of any mortgage held by an institutional first mortgagee or which would alter, amend or modify, in any manner whatsoever, the rights, powers and privileges granted and reserved herein in favor of any institutional first mortgagee or in favor of the Developer without the consent of all such mortgagees or the Developer, as the case may be. There shall be no amendment adopted altering the share of ownership in the common elements or surplus, or altering the share of common expenses, except by the unanimous vote of all members in the Association and approved by their respective institutional first mortgagees, and further except that, with the consent of all institutional first mortgagees the Developer reserves the right to amend, modify, alter or annul any of the covenants, restrictions or conditions of this Declaration, until eighty percent (80%) of the units have been sold and titled out to individual purchasers.

Invalidation of any one (1) or more of these restrictions, reservations, covenants, conditions and easements, or any provision contained in this Declaration, or in a conveyance of a unit by the Developer, by judgment, court order, or law, shall in nowise affect any of the other provisions which shall remain in full force and effect.

In the event that any court should hereafter determine that any provision, as originally drafted herein, violates the rule against perpetuities or any other rule of law because of the duration of the period involved, the period specified in this Declaration shall not thereby become invalid, but instead shall be reduced to the maximum period allowed under such rule of law, and for such purpose, measuring life shall be that of the youngest incorporator of the Association.

These restrictions, reservations, covenants, conditions and easements shall be binding upon and inure to the benefit of all property owners and their grantees, heirs, personal representatives, successors and assigns, and all parties claiming by, through or under any member.

XIV

TERMINATION OF CONDOMINIUM

Except as otherwise provided in Article VIII, paragraph f. of this Declaration, the condominium created and established hereby may only be terminated upon the vote of members of the Association owning a majority of the apartments in the condominium, provided that the written consent to such termination is obtained from all institutional first mortgagees holding mortgages encumbering the apartments.

Immediately after the required vote of consent to terminate, each and every unit owner shall immediately convey by warranty deed to the Association all of said unit owners' right, title and interest to any unit and to the common property, provided the Association's officers and employees handling funds have been adequately bonded and the Association or any member shall have the right to enforce such conveyance by specific performance in a court of equity.

The Board of Administration of the Association shall then sell all of the property at public or private sale upon terms approved in writing by all of the institutional first mortgagees. Upon the sale of said property the costs, fees and charges for affecting said sale, the cost of liquidation and dissolution of the Association and all obligations incurred by the Association in connection with the management and operation of the property up to and including the time when distribution is made to the unit owners, shall be paid out of the proceeds of said sale, and the remaining balance (hereinafter referred to as "net proceeds of sale") shall be distributed to the unit owners in the manner now about to be set forth.

The distributive share of each unit owner in the net proceeds of sale, though subject to the provisions hereinafter contained, shall be one-one hundred sixty-seventh (1/167).

Upon the determination of each unit owner's share, as above provided for, the Association shall pay out of each unit owner's share all mortgages and other liens encumbering said unit in accordance with their priority, and upon such payment being made, all mortgagees and lienors shall execute and record satisfactions or releases of their liens against said unit or units, regardless of whether the same are paid in full. Thereupon, the directors of the Association shall proceed to liquidate and dissolve the Association, and distribute the remaining portion of each distributive share, if any, to the owner or owners entitled thereto. If more than one (1) person has an interest in a unit, the Association shall pay the remaining distributive share allocable to said unit to the various owners of such unit, excepting that if there is a dispute as to the validity, priority or amount of mortgages or liens encumbering a unit, then payment shall be made to the owner and/or owners of such unit and to the owners and holders of the mortgages and liens encumbering said unit.

As evidence of the member's resolution to abandon passed by the required vote or written consent of the members, the President and Secretary of the Association shall effect and place in the public records of Brevard County, Florida, an affidavit stating that such resolution was properly passed or approved by the members and also shall record the written consents, if any, of institutional first mortgagees to such abandonment.

After such an affidavit has been recorded and all owners have conveyed their interest in the condominium parcel to the Association and the Association to the purchaser, the title to said property thereafter shall be free and clear from all restrictions, reservations, covenants, conditions and easements set forth in this Declaration, and the purchaser and subsequent grantees of any of said property shall receive title to said lands free and clear thereof.

XV

ENCROACHMENTS

If any portion of the common elements now encroaches upon any apartment, or if any apartment now encroaches upon any other apartment or upon any portion of the common elements, or if any encroachment shall hereafter occur as the result of settling of the building, or alteration to the common elements made pursuant to the provisions herein, or as the result of repair and restoration, a valid easement shall exist for the continuance of such encroachment for so long as the same shall exist.

XVI

ASSOCIATION TO MAINTAIN REGISTER
OF OWNERS AND MORTGAGEES

The Association shall at all times maintain a register setting forth the names of all owners of apartments in the condominium, and any purchaser or transferee of an apartment shall notify the Association of the names of any party holding a mortgage upon any apartment and the name of all lessees in order that the Association may keep a record of same.

XVII

ESCROW FOR INSURANCE PREMIUMS

Any institutional first mortgagee holding a mortgage upon an apartment in the condominium shall have the right to cause the Association to create and maintain an

escrow account for the purpose of assuring the availability of funds with which to pay premium or premiums due from time to time on casualty insurance policy or policies which the Association is required to keep in existence, it being understood that the Association shall deposit in an escrow depository satisfactory to such institutional first mortgagee or institutional first mortgagees a monthly sum equal to one-twelfth (1/12) of the annual amount of such insurance expense, and to contribute such other sum as may be required therefor to the end that there shall be on deposit in said escrow account at least one (1) month prior to the due date for payment of such premium or premiums, a sum which will be sufficient to make full payment therefor.

XVIII

REAL PROPERTY TAXES DURING
INITIAL YEAR OF CONDOMINIUM

In the event that during the year in which this condominium is established, real property taxes are assessed against the condominium property as a whole, such taxes will be a common expense.

XIX

RESPONSIBILITY OF APARTMENT OWNERS

The owner of each apartment shall be governed by and shall comply with the provisions of this Declaration as well as the Bylaws and Articles of Incorporation of the Association. Any apartment owner shall be liable for the expense of any maintenance, repair or replacement made necessary by his act, neglect or carelessness, or by that of any members of his family, or his or their guests, employees, agents or lessees, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. Such liability shall include any increase in fire insurance rates occasioned by use, misuse, occupancy, or abandonment of an apartment. Nothing herein contained, however, shall be construed so as to modify any waiver of rights of subrogation by insurance companies.

In any action brought against an apartment owner by the Association for damages, or injunctive relief due to such apartment owner's failure to comply with the provisions of this Declaration or Bylaws of the corporation, the Association shall be entitled to court costs, reasonable attorney's fees and expenses incurred by it in connection with the prosecution of such action.

XX

WAIVER

The failure of the Association, an apartment owner or institutional first mortgagee, to enforce any right, provision, covenant or condition which may be granted herein, or in the Bylaws and Articles of Incorporation of the Association, or the failure to insist upon the compliance with same, shall not constitute a waiver of the Association, such apartment owner or institutional first mortgagee to enforce such right, provision, covenant or condition, or insist upon the compliance with same, in the future.

No breach of any of the provisions contained herein shall defeat or adversely affect the lien of any mortgage at any time made in good faith and for a valuable consideration upon said property, or any part thereof, and made by a bank, savings and loan association, or insurance company authorized to transact business in the State of Florida and engage in the business of making loans constituting a first lien upon real property, but the rights and remedies herein granted to the Developer, the Association, and the owner or owners of any part of said condominium, may be enforced against the owner of the portion of said property subject to such mortgage, notwithstanding such mortgage. The purchaser at any sale upon foreclosure shall be bound by all of the provisions herein contained, unless said purchaser be an institutional first mortgagee which had a mortgage on said unit at the time of the institution of said foreclosure action, or the Developer.

XXI

CONSTRUCTION

The provisions of this Declaration shall be literally construed so as to effectuate its purposes. The invalidity of any provision herein shall not be

deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Declaration.

XXII

GENDER

The use of the masculine gender in this Declaration shall be deemed to refer to the feminine or neuter gender, and the use of the singular or plural shall be taken to mean the other whenever the context may require.

XXIII

CAPTIONS

The captions herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of this Declaration nor the intent of any provisions hereof.

XXIV

REMEDIES FOR VIOLATIONS

For violation or a breach of any provisions of this Declaration by a person claiming by, through or under the Developer, or by virtue of any judicial proceedings, the Association, and the members thereof, or an institutional first mortgagee, or any of them severally, shall have the right to proceed at law for damages or in equity to compel a compliance with the terms hereof or to prevent the violation or breach of any of them, or for such other relief as may be appropriate. In addition to the foregoing right, the corporation shall have the right, whenever there shall have been built within the condominium any structure which is in violation of this Declaration to enter upon the property where such violation of this Declaration exists, and summarily abate or remove the same at the expense of the owner, provided, however, the corporation shall then make the necessary repairs or improvements where such violation occurred so that the property shall be in the same condition as it was before said violation occurred, and any such entry and abatement or removal shall not be deemed a trespass. The failure promptly to enforce any of the provisions of this Declaration shall not bar their subsequent enforcement. In any proceeding arising because of an alleged violation by an apartment owner, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorney fees as may be awarded by the court, and in any supplemental proceedings and appellate proceedings pursuant thereto, the prevailing party shall be entitled to attorney's fees for said proceedings subsequent to final judgment as the appropriate judicial body may award.

These are the Bylaws of the SAN JUAN VILLAGE CONDOMINIUM ASSOCIATION, INC., a corporation not for profit under the laws of the State of Florida, the Articles of Incorporation of which were filed in the office of the Secretary of State on the day of _____, 19____. The SAN JUAN VILLAGE CONDOMINIUM ASSOCIATION, INC., hereinafter called the Association, has been organized for the purpose of administering the operation and management of SAN JUAN VILLAGE CONDOMINIUMS, a condominium apartment project established or to be established in accordance with the Condominium Act of the State of Florida upon the following described property situate, lying and being in Brevard County, Florida, to-wit:

SEE SHEET _____ OF EXHIBIT "A" ATTACHED HERETO

a. The provisions of these Bylaws are applicable to said Condominium, and the terms and provisions hereof are expressly subject to the effect of the terms, provisions, conditions and authorizations contained in the Articles of Incorporation and which may be contained in the Declaration of Condominium which will be recorded in the public records of Brevard County, Florida, at the time said property and improvements now or hereafter situate thereon are submitted to the plan of Condominium ownership, the terms and provisions of said Articles of Incorporation and Declaration of Condominium to be controlling wherever the same may be in conflict herewith.

b. All present and future owners, tenants, future tenants, or their employees, or any other person that might use said condominium or any of the facilities thereof in any manner, are subject to the regulations set forth in these Bylaws and in said Articles of Incorporation and the Declaration of Condominium.

c. The mere acquisition or rental of any of the family units hereinafter referred to as "units" of the project or the mere act of occupancy of any said units will signify that these Bylaws, Charter provisions, and regulations in the Declaration are accepted, ratified and will be complied with.

d. Anything in these Bylaws to the contrary notwithstanding the said Bylaws shall not become applicable or effective, insofar as the management of the condominium project is concerned, until actual management of the condominium project is delivered and turned over to this non-profit corporation (under the terms and conditions as set out in Section VII of the Declaration) the management of said condominium project being vested in the Developer until said turnover.

e. The fiscal year of the Association shall be the calendar year.

f. The seal of the Association shall bear the name of the Association, the word "Florida", the words "a corporation not for profit", and the year "1981", an impression of which seal is as follows:

2. MEMBERSHIP, VOTING, QUORUM, PROXIES

a. The qualifications of members, the manner of their admission to membership and termination of such membership, and voting by members, shall be as set forth in Article IV of the Articles of Incorporation of the Association, the provisions of which Article IV of the Articles of Incorporation are incorporated herein by reference.

b. A quorum of membership meetings shall consist of persons entitled to cast a majority of the votes of the entire membership. The joinder of a member in the action of a meeting by signing and concurring in the minutes thereof shall constitute the presence of such person for the purpose of concurring, but not for the purpose of determining a quorum.

c. The vote of the owners of an apartment unit owned by more than one (1) person or by a corporation or other entity shall be cast by the person named in the written notice signed by all of the owners of the apartment unit filed with the Secretary of the Association, and such written notice shall be valid until revoked by subsequent written notice. If such written notice is not on file or not produced at the meeting, the vote of such owners shall not be considered in determining the requirements for a quorum, nor for any other purpose.

d. Votes may be cast in person or by proxy. A proxy is defined as the authority to cast the vote of a member qualified to vote as set forth in Article IV of the Articles of Incorporation. Any proxy given shall be effective only for the specific meeting for which originally given and any lawfully adjourned meetings thereof. In no event shall any proxy be valid for a period longer than ninety (90) days after the date of the first meeting for which it was given. Every proxy shall be revocable at any time at the pleasure of the unit owner executing it. Proxies must be filed with the Secretary before the appointed time of the meeting.

e. Approval or disapproval of an apartment unit owner upon any matters, whether or not the subject of an Association meeting, shall be by the same person who would cast the vote of such owner if at an Association meeting.

f. Except where otherwise required under the provisions of the Articles of Incorporation of the Association, these Bylaws, the Declaration of Condominium, or where the same may otherwise be required by law, the affirmative vote of the owners of a majority of the apartment units represented at any duly called membership meeting at which a quorum is present shall be binding upon the members.

3. ANNUAL AND SPECIAL MEETINGS OF MEMBERSHIP

a. The annual membership meeting shall be held at the office of the Association at 7:00 PM, Eastern Standard Time, on the first Tuesday in August of each year for the purpose of electing directors and of transacting any other business authorized to be transacted by the members; provided, however, that, if that day is a legal holiday, the meeting shall be held at the same hour on the succeeding Tuesday.

b. Special membership meetings shall be held whenever called by the President or by a majority of the Board of Administration, and must be called by officers upon receipt of a written request from members of the Association owning a majority of the apartment units. The notice of any special meeting shall state the time and place of such meeting and the purposes thereof. No business shall be transacted at a special meeting except as stated in the notice unless by consent of four-fifths (4/5) of the votes present, either in person or by proxy.

c. Notice of all membership meetings, regular or special, shall be given by the President, Secretary or Treasurer of the Association, or other officer of the Association in the absence of said officers, to each member, unless waived in writing, such notice to be written or printed and to state the time, place and object for which the meeting is called. Such notice shall be given to each member not less than fifteen (15) days nor more than thirty (30) days prior to the date set for such meeting, which notice shall be mailed or presented personally to each member within said time. If presented personally, receipt of such notice shall be signed by the member, indicating the date on which such notice was received by him. If mailed, the notice of the membership meeting shall be sent by certified mail, return receipt requested, which mailing shall be deemed notice. Written notice of all membership meetings, regular or special, shall be posted in a conspicuous place on the condominium property at least fourteen (14) days prior to the meeting. Any member may, by written waiver of notice signed by such member, waive such notice, and such waiver, when filed in the records of the Association, whether before or after the holding of the meeting, shall be deemed equivalent to the giving of such notice to such member. If any membership meeting cannot be organized because a quorum has not attended, or because a greater percentage of the membership to constitute a quorum of attendance may be required as set forth in the Articles of Incorporation, these Bylaws or the Declaration of Condominium, the members who are present, either in person or by proxy, may adjourn the meeting from time to time

until a quorum or the required percentage of attendance, if greater than a quorum, is present. Unit owners may waive notice of specific meetings and may take action by written agreement without meetings provided there is strict compliance with the percentage of unit owners or voting rights required to make decisions and to constitute a quorum as provided in the Declaration of Condominium, Bylaws and Articles of Incorporation of this condominium.

d. At membership meetings, the President shall preside, or in his absence, the membership shall elect a chairman.

e. The order of business at annual membership meetings, and, as far as practical, at any other membership meetings, shall be:

1. Calling of the roll and certifying of proxies.

3. Reading of minutes.
4. Reports of officers.
5. Reports of committees.
6. Appointment of Chairman of Inspectors of Election.
7. Election of Directors.
8. Unfinished business.
9. New business.
10. Adjournment.

f. Meetings of the Association shall be held at the principal office of the project or such other suitable place convenient to the owners as may be designated by the Board of Administration.

g. Minutes of all meetings of unit owners and Board of Administration shall be kept in a business-like manner and shall be available for inspection by unit owners and Board members at all reasonable times. The Association shall retain these minutes for a period of not less than seven (7) years.

4. BOARD OF ADMINISTRATION AND OFFICERS

a. Each unit owner shall be a member of the Board of Administration which shall consist of three (3) directors. Any unit owner desiring to be a candidate for Board membership can be nominated from the floor at the annual meeting of the membership. Each director elected at the first annual meeting of the membership thereafter shall serve for the term of one (1) year or until his successor is duly elected. Any member of the Board of Administration may be recalled and removed from office with or without cause by a vote or agreement in writing by a majority of all unit owners. A special meeting of the unit owners to recall a member or members of the Board of Administration may be called by ten percent (10%) of the unit owners giving notice of the meeting as required for a meeting of unit owners, and the notice shall state the purpose of the meeting. The Developer is entitled to elect at least one (1) member of the Board of Administration of the Association as long as the Developer holds for sale in the ordinary course of business 5% of the units.

b. Election of Directors shall be conducted in the following manner:

(1) Each member of the Board of Administration shall be elected by a plurality of the votes cast at the annual meeting of the members of the Association.

(2) Vacancies in the Board of Administration may be filled until the date of the next annual meeting by the majority vote of the remaining Directors.

c. The organizational meeting of a newly elected Board of Administration shall be held within ten (10) days of their election, at such time and such place as shall be fixed by the Directors at the meeting at which they were elected, and no further notice of the organizational meeting shall be necessary provided a quorum shall be present.

d. The officers of the Association shall be elected annually by the Board of Administration, any officer may be removed, either with or without consent, and his successor elected at any regular meeting of the Board of Administration, or any special meeting of the Board called for such purpose.

e. Regular meetings of the Board of Administration may be held at such time and place as shall be determined from time to time by a majority of the Directors, but at least two (2) such meetings shall be held during each fiscal year. Notice of regular meetings shall be given to each Director, personally or by mail, telephone or telegram at least ten (10) days prior to the day named for such meeting, unless notice is waived. These meetings shall be open to all unit owners and notice of the meeting shall be posted conspicuously forty-eight (48) hours in advance, except in an emergency. Notice of any meeting where assessments against unit owners are to be considered for any reason, shall specifically contain a statement that assessments will be considered and the nature of any such assessments.

f. Special meetings of the Directors may be called by the President, and must be called by the Secretary at the written request of three (3) Directors. Not less than three (3) days notice of a meeting shall be given to each Director, personally or by mail, telephone or telegram, which notice shall state the time, place and purpose of the meeting. Notice to unit owners shall be given in accordance with sub-paragraph e. above.

g. Any Director may waive notice of a meeting before or after the meeting, and such waiver shall be deemed equivalent to the giving of notice. Attendance by a Director at any meeting of the Board shall be a waiver of notice by him of the time and place thereof. If all Directors are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting. Notice to unit owners shall be given in accordance with sub-paragraph e. above.

h. A quorum of a Directors' meeting shall consist of the Directors entitled to cast a majority of the votes of the entire Board. The acts of the Board approved by a majority of the votes present at the meeting at which a quorum is present shall constitute the act of the Board of Directors, except as specifically otherwise provided in the Articles of Incorporation, these Bylaws or the Declaration of Condominium. If any Directors' meeting cannot be organized because a quorum has not attended, or because the greater percentage of the Directors required to constitute a quorum for particular purposes has not attended, whenever the latter percentage of attendance may be required, the Directors who are present may adjourn the meeting from time to time until a quorum or the required percentage attendance, if greater than a quorum, is present. At any adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice. The joinder of a Director in the action of a meeting by signing and concurring the minutes thereof shall constitute the presence of such Director for the purpose of concurring, but not for the purpose of determining a quorum.

i. The presiding officer of Directors' meetings shall be the President. In the absence of the President, the Vice President shall preside.

j. The Directors' fees, if any, shall be determined by the members.

k. All of the powers and duties of the Association shall be exercised by the Board of Administration, including those existing under the common law and statutes, the Articles of Incorporation of the Association, these Bylaws and the Declaration of Condominium. Such powers and duties shall be exercised in accordance with said Articles of Incorporation, these Bylaws and the Declaration of Condominium, and shall include, without limiting the generality of the foregoing, the following:

(1) To make, levy and collect assessments against members and members' apartment units to defray the costs of the condominium, and to use the proceeds of said assessments in the exercise of the powers and duties granted unto the Association. Said assessments shall be made against unit owners not less frequently than quarterly in amounts no less than are required to provide funds in advance for payment of all the anticipated current operating expenses and for all unpaid operating expenses previously incurred.

(2) The maintenance, repair, replacement, operation and management of the condominium wherever the same is required to be done and accomplished by the Association for the benefit of its members;

(3) The reconstruction of improvements after casualty, and further improvement of the property, real and personal;

[REDACTED]

(4) To make and amend regulations governing the use of the property, real and personal, in the condominium, so long as such regulations or amendments thereto do not conflict with the restrictions and limitations which may be placed upon the use of such property under the terms of the Articles of Incorporation and Declaration of Condominium;

(5) To approve or disapprove proposed purchasers of apartment units in the manner specified in the Declaration of Condominium;

(6) To acquire, operate, lease, manage and otherwise trade and deal with property, real and personal, including apartment units in the condominium, as may be necessary or convenient in the operation and management of the condominium, and in accomplishing the purposes set forth in the Declaration of Condominium;

(7) To contract for the maintenance and management of the condominium and to authorize the management agent to assist the Association in carrying out its powers and duties by performing such functions as the collection of assessments, preparation of the records, enforcement of rules, and maintenance of the common elements. The Association shall, however, retain at all times the powers and duties granted them by the Condominium Act, including, but not limited to, the making of assessments, promulgation of rules, and execution of contracts on behalf of the Association;

(8) To enforce by legal means the provisions of the Articles of Incorporation and Bylaws of the Association, the Declaration of Condominium, and any regulations hereinafter promulgated governing use of the property in the condominium;

(9) To pay all assessments and taxes which are liens against any part of the condominium other than apartment units and the appurtenances thereto, and to assess the same against the members and their respective apartment units subject to such liens;

(10) To carry insurance for the protection of the members and the Association against casualty and liability;

(a) The Association shall use its best efforts to obtain and maintain adequate insurance to protect the Association and the common elements. A copy of each policy of insurance in effect shall be made available for inspection by unit owners at reasonable times.

(b) All hazard policies issued to protect condominium buildings shall provide that the word "building" wherever used in the policy shall include, but shall not necessarily be limited to, fixtures, installation or additions comprising that part of the building within the unfinished interior surfaces of the perimeter walls, floors and ceiling of the individual units initially installed or replacements thereof, in accordance with the original plans and specifications. With respect to the coverage provided for by this paragraph, the unit owners shall be considered additional insureds under the policy.

(11) To pay all costs of power, water, sewer and other utility services rendered to the condominium and not billed to the owners of the separate apartment units; and

(12) To employ personnel to perform the services required for proper administration of the Association.

(13) To interpret the provisions of the Declaration of Condominium, Articles, and Bylaws of the Association. This interpretation shall be binding if approved by a majority vote subject only to review by the Circuit Court of Brevard County, Florida.

1. The undertakings and contracts authorized by the said first Board of Administration shall be binding upon the Association in the same manner as though such undertakings and contracts had been authorized by the first Board of Administration duly elected by the membership.

5. OFFICERS

a. The principal officers of the Association shall be a President, and a Secretary and a Treasurer, and as many Vice Presidents, Assistant Secretaries and Assistant Treasurers as the Board of Administration may deem necessary.

b. The President shall be the chief officer of the Association. He shall preside at all meetings of the Association and of the Board of Administration. He shall have all of the general powers and duties which are usually vested in the office of president of an association, including, but not limited to, the power to appoint committees from among the owners, from time to time as he may in his discretion decide is appropriate, to assist in the conduct of the affairs of the Association.

c. The Vice President shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If neither the President nor the Vice President is able to act, the Board of Administration shall appoint some other member to the Board to so do on an interim basis. The President shall also perform such other duties as shall from time to time be imposed upon him by the Board of Administration.

d. The Secretary shall keep the minutes of all proceedings of the Directors and the members. He shall attend to the giving and serving of all notices of the members and Directors, and such other notices required by law. He shall have custody of the seal of the Association and affix the same to instruments requiring a seal when duly signed. He shall keep records of the Association, its administration and salaries.

e. The Treasurer shall have custody of all property of the Association, including funds, securities, and evidence of indebtedness. He shall keep the books of the Association in accordance with good accounting practices.

f. The compensation of all officers and employees of the Association shall be fixed by the Directors. This provision shall not preclude the Board of Administration from employing a Director as an employee of the Association, nor preclude the contracting with a Director for the management of the condominium.

6. FISCAL MANAGEMENT

The provisions for fiscal management of the Association set forth in the Declaration of Condominium and Articles of Incorporation shall be supplemented by the following provisions:

a. The Association shall maintain accounting records for each condominium it manages in the County where the condominium is located, according to good accounting practices. The records shall be open for inspection by unit owners or their authorized representatives at reasonable times and written summaries of them shall be supplied at least annually to unit owners or their authorized representatives. The records shall include, but are not limited to:

(1) A record of all receipts and expenditures.

(2) An account for each unit designating the name and current address of the unit owner, the amount of each assessment, the date on which the assessments come due, the amount paid upon the account and the balance due.

b. The Board of Administration shall adopt a budget for each fiscal year which shall contain estimates of the cost of performing the functions of the Association, including but not limited to the common expense budget, which shall include, without limiting the generality of the foregoing, the estimated amounts necessary for maintenance, and operation of common elements and limited common elements, landscaping, street and walkways, office expense, utility services, replacement and operating reserve, casualty insurance, liability insurance, administration and salaries. The Board of Administration shall also establish the proposed assessment against each member as more fully provided in the Declaration of Condominium. Delivery of a copy of any budget to each member shall not affect the liability of any member for any such assessment, nor shall delivery of a copy of such budget or amended budget be considered as a condition precedent to the effectiveness of said budget originally adopted if it shall appear to be insufficient to pay costs and expenses of operation and management, or in the event of emergencies.

[REDACTED]

The proposed annual budget of common expenses shall be detailed and shall show the amounts budgeted by accounts and expense classification, as contained in the proposed budget or otherwise, if applicable. In addition to annual operating expenses, the budget shall include reserve accounts for capital expenditures and deferred maintenance. These accounts shall include, but not be limited to, roof replacement, building painting and pavement resurfacing. The amount to be reserved shall be computed by means of a formula which is based upon estimated life and estimated replacement cost of each reserve item. This paragraph shall not apply to budgets in which the members of the Association have by a majority vote at a duly call meeting of the Association, determined for a fiscal year to provide no reserves or reserves less adequate than required by this paragraph.

c. The depository of the Association shall be such bank or banks as shall be designated from time to time by the Directors and in which the monies of the Association shall be deposited. Withdrawal of monies from such accounts shall be only by check signed by such person or persons as are authorized by the Directors.

d. An audit of the accounts of the Association shall be made annually by an accountant, and a copy of the report shall be furnished to each member not later than May 1 of the year following the year for which the report is made.

e. Fidelity bonds shall be required by the Directors from all officers and employees of the Association and from any contractor handling or responsible for Association funds. The amount of such bonds shall be determined by the Directors, but shall be at least the amount of the total annual assessments against members for common expenses. The premiums on such bonds shall be paid by the Association.

f. The Board of Administration shall mail a meeting notice and copies of the proposed annual budget of common expenses to the unit owners not less than thirty (30) days prior to the meeting at which the budget will be considered. The unit owners shall be given written notice of the time and place at which such meeting of the Board of Administration to consider the budget shall be held, and such meeting shall be open to the unit owners. If a budget is adopted by the Board of Administration which requires assessment against the unit owners in any fiscal or calendar year exceeding one hundred fifteen percent (115%) of such assessments for the preceding year, upon written application of ten percent (10%) of the unit owners to the Board, the Board shall call a special meeting of the unit owners within thirty (30) days upon not less than ten (10) days written notice to each unit owner. At the special meeting, unit owners shall consider and adopt a budget by a vote of not less than a majority of all unit owners. If the proposed budget does not require assessments against the unit owners exceeding one hundred fifteen percent (115%) of such assessments for the preceding year, the Board of Administration may propose the budget to the unit owners at a meeting of members or in writing, and if the budget or proposed budget is approved by the unit owners at the meeting or by a majority of all unit owners in writing, the budget shall be adopted. In determining whether assessments exceed one hundred fifteen percent (115%) of similar assessments in prior years, any authorized provisions for reasonable reserves for repair or replacement of the condominium property, anticipated expenses by the Condominium Association which are not anticipated to be incurred on a regular or annual basis, or assessments for betterment to the condominium property shall be excluded from the computation. Provided, however, that so long as the Developer is in control of the Board of Administration the Board shall not impose an assessment for a year greater than one hundred fifteen percent (115%) of the prior fiscal or calendar year's assessment without approval of a majority of the unit owners.

g. Within sixty (60) days following the end of the fiscal or calendar year, or annually on such date as is otherwise provided in the Bylaws of the Association, the Board of Administration of the Association shall mail or furnish by personal delivery to each unit owner a complete financial report of actual receipts and expenditures for the previous twelve (12) months. The report shall show the amounts of receipt by accounts and receipt classifications, and shall show the amounts of expenses by accounts and expenses classifications, including, if applicable, but not limited to, the following:

1. Cost for security.
2. Professional and management fees and expenses.
3. Taxes.
4. Cost for recreation facilities.

5. Expenses for refuse collection and utility services.
6. Expenses for lawn care.
7. Cost for building maintenance and repair.
8. Insurance costs.
9. Administrative and salary expenses.
10. General reserves, maintenance reserves and depreciation reserves.

7. PARLIAMENTARY RULES

Robert's Rules of Order (latest edition) shall govern the conduct of the corporate meetings when not in conflict with the Articles of Incorporation and these Bylaws or with the Statutes of the State of Florida.

8. AMENDMENTS TO BYLAWS

Amendments to these Bylaws shall be proposed and adopted in the following manner:

a. Amendments to these Bylaws may be proposed by the Board of Administration of the Association acting upon vote of a majority of the Directors, or by members of the Association, whether meeting as members or by instrument in writing signed by them.

b. Upon any amendment or amendments to these Bylaws being proposed by said Board of Administration or members, such proposed amendment or amendments shall be transmitted to the President of the Association, or other officer of the Association in the absence of the President, who shall thereupon call a special joint meeting of the members of the Board of Administration of the Association and the membership for a date not sooner than twenty (20) days or later than sixty (60) days from receipt by such officer of the proposed amendment or amendments, and it shall be the duty of the Secretary to give each member written or printed notice of such meeting in the same form and in the same manner as notice of the call of a special meeting of the members is required as herein set forth.

c. In order for such amendment or amendments to become effective, the same must be approved by an affirmative vote of a majority of the entire membership of the Board of Administration and by an affirmative vote of the members owning not less than a majority of the apartment units in the condominium. No Bylaw shall be revised or amended by reference to its title or number only. Proposals to amend existing Bylaws shall contain the full text of the Bylaws to be amended; new words shall be inserted in the text and underlined, and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder rather than assist the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but instead a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial rewording of Bylaw. See Bylaw . . . for present text". Thereupon, such amendment or amendments to these Bylaws shall be transcribed, certified by the President and Secretary of the Association, and a copy thereof shall be recorded in the public records of Brevard County, Florida, within ten (10) days from the date on which any amendment or amendments have been affirmatively approved by the Directors and members.

d. At any meeting held to consider such amendment or amendments to the Bylaws, the written vote of any member of the Association shall be recognized if such member is not in attendance at such meeting or represented there at by proxy, provided such written vote is delivered to the Secretary of the corporation at or prior to such meeting.

The undersigned, being the Secretary of the SAN JUAN VILLAGE CONDOMINIUM ASSOCIATION, INC., a corporation not for profit under the laws of the State of Florida, does hereby certify that the foregoing Bylaws were adopted as the Bylaws of said Association at a meeting held for such purpose on the _____ day of _____, 19____.

All attic spaces are insulated with approximately two inches of sprayed in insulation. Interior walls are surfaced with gypsum board and ceilings are sprayed with accustical treatment.
2. The completion of the construction of the facility is estimated as early 1979 based on City of Melbourne drawing approval dated 4/5/78. The construction was accomplished by drawings prepared and approved by Gormon and Thimm Architects dated November 11, 1977.
3. Prior use of the improvements was for rental apartments.
4. Attached chart identifies major facility components, average age of equipment, estimated useful life and estimated current replacement costs.
5. The condition of the major elements of the existing improvements is as follows:

ROOFING ELEMENTS

- A. The roofing elements are safe for the use intended.
- B. Roofs of the buildings are constructed of two inch wood trusses twenty four inches on centers. Truss subbases are fabricated from one half inch exterior grade plywood, one half inch composition board or one by ten southern pine boards. Subbases are covered with asphaltic shingles. Roof cover adjacent to firewalls have been repaired to eliminate leaking.
- C. The roofing elements are sound, however, several trusses in Bldg. numbers 3 and 6 have split members which should be repaired. There was no evidence of leaking within the units.

ELEVATORS

There are no elevators within this complex.

HEATING AND COOLING SYSTEMS

- A. The heating and cooling elements are safe for the use intended.
- B. Each unit is furnished with split air to air conditioning systems. Each split system consists of exterior ground mounted condenser, interconnecting refrigeration piping and control wiring and evaporator/blower units mounted in interior utility closets. Units are thermostatically controlled. Electric heat strips are provided for winter conditioning. All mechanical equipment has approved disconnect provisions, and is well maintained.
- C. The mechanical elements are sound and were found to be functioning properly.

PLUMBING ELEMENTS

- A. The plumbing elements are safe for the use intended.
- B. The plumbing elements are sound. Fixtures are in excellent condition with no chipping of the enamel surfaces noted. There were no stoppages in the drainage/sewage systems and no history of recurring problems. Water distribution piping is copper. There are four deep wells on the project. One well is used to feed the lake while the remainder are equipped with pumps, timers and distribution piping for lawn sprinkling.
- C. The plumbing elements are sound and were found to be operating properly.

ELECTRICAL ELEMENTS

- A. The electrical elements were found to be safe for the use intended.
- B. The electrical elements are sound. Each apartment has an interior panel mounted circuit breaker to disconnect power. Individual meters are surface mounted on building exteriors. Main power wiring is aluminum with all secondary wiring being copper. Interior power panels are readily accessible and properly marked. Ground rods are driven at each building and connected to the service.
- C. The electrical elements are sound and were found to be functioning properly, including the central television antenna system.

SWIMMING POOL

- A. The pool is safe for the use intended as verified by local authority approval posted at the complex.
- B. The filtering and recirculating equipment is securely located within a fenced area and covered in a fiberglass housing adjacent to the pool. The equipment is well maintained.
- C. The pool and equipment is sound and was found to be functioning properly. There was no evidence of pool leaks.

[REDACTED]

SEAWALLS

There are no seawalls within this complex.

PAVEMENT AND PARKING AREAS

- A. The paved areas at this facility are safe for the use intended.
- B. Asphalt parking areas and roads as well as concrete walkways are placed on compacted fill. There is slight coating deterioration at several parking spaces which is readily repairable. There is no subsurface disturbance.
- C. Paved areas are sound.

DRAINAGE SYSTEM

- A. The facility drainage system is safe for the use intended.
- B. As evidenced by run off of lawn sprinkling water the drainage system is sound and functions properly. Visual inspection of the topography of the land and roads and the engineering site plan indicate adequate paths for water run off. There is adequate grass area for percolation of rain water. Grading of the area around the patio of Unit 185 is required to eliminate undermining of the slab to continue.
